---

March 21, 2017

Dear Wildcat Family,

In April, Central High School students will begin taking several mandatory state and national assessments. These assessments serve many different purposes, including determining student individual college/scholarship eligibility and providing valuable input towards Central High School's yearly school performance framework.

Our staff has several special events planned for the **testing students** on each assessment day. The planned events include a warm, home-cooked breakfast from 7:00 AM to 7:30 AM in the cafeteria on the morning of the exam and an academic motivational event to encourage students to do their absolute best on each and every exam. Students who arrive "on time" (before 7:15 AM) will be entered into drawings for food coupons, a yearbook, and an iPad, amongst many others. As always, parents/guardians are more than welcome to volunteer or provide assistance in any way.

Central High School is also pleased to announce its new social vision contract:

**"Central High School is safe, positive, and welcoming."**

*A special thanks goes out to the parents, staff, and students for helping in writing this statement, which embodies Central's expectations of how to treat others.*
